Addendum #5 – February 2, 2024

LISNDA Coop Direct Diversion Bid 2024-2025

Each addendum must be initialed below and returned as part of the vendor's submission

Responses to questions:

1. We are going to bid as Fee For Service through our drayage partner (i.e. School place order with us but deliver to our distributor drayage partner). So do we still need to put the distributor code in the spreadsheet?

We are requesting the distributor code in this situation, if possible. At a minimum, please enter your manufacturer code and note this in the comments.

2. Is the Co-Op going to award the bid at NET Commodity price or Gross price?

As indicated on the Bid Price Sheet, we are looking for Net Case Price (after the commodity credit).
