5. **Responses to questions:**

The sheets for Long Island say the signature needs to be INK. Can I type in the additional info as long as I sign the papers individually or do they all need to be filled in by hand with INK?

The signature on the original copy must be an actual wet signature in ink. The rest of the information may be typed in.

Will one set of master paperwork apply to multiple category/bids?

No. Please submit a complete set of paperwork as required for each bid to which you are responding.

Do we need to submit one flash drive per bid, or can one set be used for all bid spreadsheets we will be presenting?

Please submit one flash drive/set of flash drives per bid.

Can the individual sealed envelopes per bid be shipped in one large envelope or package?

Yes, however please indicate on the master envelope that it contains multiple responses, and the bids to which you are responding.

Our invoices don't generate until 1-2 days (after delivery) which we could PDF over, is that sufficient to meet this requirement?

Unless an individual district requires otherwise, this will be sufficient.

LISNDA Drinks Bid Page 4 - Contract Conditions - Can we get clarification on what within the time specified would/could be?

If a product is not delivered as per the bid, 3 deliveries in a row, the district may seek to purchase it elsewhere. This will be updated on future bid releases.
